It is with great respect and gratitude to recognize you for your donation so that we may continue to provide dignified, professional and respectful services to every Honorably Discharged Veteran.

Our cause is one that is both a privilege and a commitment. As you may, or may not know, there are many occasions whereby the US Army Reserve and NY Army National Guard are shorthanded and contact the 11<sup>th</sup> New York to provide and/or augment staffing in order to provide Military Funeral Honors for all deserving veterans, of any of the US Military services.

Recognizing the current tough economic climate only further makes your donation even more significant to assist us in accomplishing our mission. We truly appreciate your generosity and support.
